Margot Beauchamp
Executive Director

Brian Ferguson
Property Manager

Joshua Falcioni
Caretaker

Angela Quiambao
Administrative Asst.

Catherine Tang
Cleaner

Bobbie Cai
Cleaner

Tracey McGrogran
Finance Manager

Interview with the New Vice-Chair of the Board of Directors – Doug Tomkinson

What about Mole Hill most interests you?

I moved into Mole Hill almost 8 years ago at a time when I needed to live on my own again (room-mate burnout) and sought accommodation that was both affordable and desirable. Mole Hill provided both.

Why did you choose to run for the Board of Directors of Mole Hill?

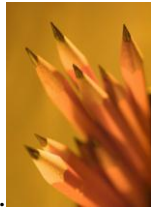

I have been involved on a volunteer basis for most of my adult life, either through sports or community groups. The opportunity to become involved at Mole Hill came at a time when I was seeking new avenues after taking some “me” time.

What changes or improvements would you like to see enacted within the society?

Many of the changes or improvements are happening now – a more constructive effective Board, better management and maintenance improvements. More events those units the Mole Hill family and invite participation of the greater community are always good.

What is your favourite thing about Mole Hill and the West End / Vancouver?

As a person with mobility issues, the access to my suite and the access to local services and shopping all make the West End and Mole Hill my first choice.

Vacation Coverage

Brian Ferguson will be away on vacation from March 3rd until March 25th.

Rowena Wong, a previous employee from COHO will be replacing Brian on a part-time basis while he is away. She will be here on Monday, Tuesday and Friday from 10:00 am to 3:00 pm. Angela Quiambao, Administrative Assistant will be in the office all day Wednesday and Thursday and she will be happy to assist you as well.

Garbage Room Bandits!

In the dark of night or at other quiet times, people are depositing their cast-off furniture and other belongings in the garbage rooms. Having to arrange for additional garbage pick-up has created a significant additional expense for the Society. The garbage rooms are for typical household waste and recycling only and not for old furniture and other belongings.

Please arrange for your own disposal of such items. Those who do not will be charged for the cost of the pick-up. Please let us know if you see anyone using the garbage room for this purpose.

Annual Unit Inspections

The annual unit inspections will be completed in April of this year. Notices will be sent out as soon as the dates for this task are determined by the Property Manager's Office.

Gardening Season

Spring is nearly here and with it the new gardening season. Silent Gardener will be starting mid-March and they will be providing the same service as last year.

Just a reminder that tenants can garden in the street boulevards but not in the front yards or laneway/greenway. Specific requests to garden in other areas can be made through a written request to the Executive Director.

I would like to take this opportunity to thank the many volunteers who helped with weeding and watering last season. We would greatly appreciate your assistance, if you are able to help again this year.
