

MOLE HILL NEWS

“Lunar New Year’s Celebration”

BOARD of DIRECTORS “Meet and Greet”

The new Board of Directors would like to invite you to an evening of food and fun!

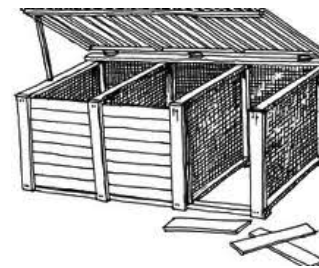

Saturday, February 25th, 2012
6:00 pm to 8:00 pm
Mole Hill Community Room

Bring your favorite cultural dish, music or games! Make a paper lantern!

PLEASE RSVP TO 604-687-1145

Laneway/Greenway Project

We will be completing the Vancity Laneway/Greenway Project in the spring. Plans include purchasing some compost bins for tenants, providing composting workshops and adding some additional plantings to some of the beds – gogi berries, a persimmon tree and select ground covers to help manage the weeds.

If you have suggestions for the type of composting you think is best for Mole Hill and/or if you would like to be involved with the project, please let me know.
 Margot @604-681-2096

Spring Gillard will be conducting composting workshops in the spring.

Watch for upcoming dates!

NO JUNK PLEASE!

Please do not leave old furniture and other junk in the garbage rooms or in front of the doors. It blocks the entryways, encourages others to leave garbage and looks messy! Talk to the office about having items picked up for a small fee!

Recycle your Fluorescent Light Bulbs

London Drugs, (on Davie St.) Home Hardware, and Canadian Tire will take used residential-use compact florescent lights (CFLs) and fluorescent tubes. Maximum limit of return at one time is 16 lights.

News from the Executive Director's Office

I hope that all of you had a wonderful holiday season and that you will join us for a late community party - "Lunar New Year Celebration" on February 25, 2012.

In the next month, we will be mailing out a Tenant Survey to solicit your input with upcoming Strategic Planning,. Your feedback is important to us, so please take the time to complete the short questionnaire and return it to the office. You will also have an opportunity to have your name entered in a draw to win a dinner for two at a local restaurant or for a food voucher. Completing the survey anonymously is also an option. Remember, I am also open to feedback and ideas at anytime!

Phone – 604-681-2096
Office –1173 Pendrell Street (back)
mbeauchamp@mole-hill.ca

We are investigating soliciting contracts for filming on the Mole Hill site. This can be a lucrative fundraising initiative and can assist with capital planning projects, increased activities and services or other ventures. Questions, comments, let me know!

If you have a vehicle, please see about acquiring a Mole Hill parking pass or purchase one from the City of Vancouver and park on the street. Parking in the lane is unfair to those who pay for parking, causes traffic congestion and depending on where you park is illegal and you risk being ticketed or towed.

Margot Beauchamp
 Executive Director

Community News and Updates

Comox/Helmcken Greenway

This project is well underway at the City of Vancouver. It will be a greenway (pedestrian and bicycle) that will link Stanley Park with False Creek. Comox Street would be closed to vehicle traffic so this will have an impact for some of you living at Mole Hill.

The city will be presenting plan concepts at information meetings coming up in the next few months. Watch for posters about this event.

In the meantime, if you want more information about the project, you may call 311 at the city and ask to speak to the planners responsible for the project or email to: greenways@vancouver.ca or check out the website link at vancouver.ca/comox-greenway

February 9, 2011
5 – 8pm
Coast Plaza Hotel
1763 Comox Street

Community Meeting about 1401 Comox

The City of Vancouver and Westbank Development are holding a public information meeting regarding an application for re-zoning for the proposed development at 1401 Comox Street.
